

BURSARY FUND APPLICATION FORM

**CHRISTIAN
CONFERENCE
TRUST**

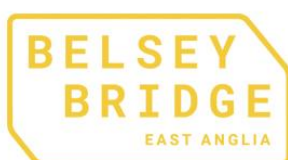

We do not want to see anyone left behind when your event takes place because they could not afford to come. To make sure this does not happen, The Christian Conference Trust has created a bursary fund for churches, Christian groups and organisations.

Any Christian group can apply on behalf of an individual delegate where there is financial need, as long as the application is made at least eight weeks prior to your event. We will confirm if your application has been successful at least four weeks before you arrive, with the amount awarded being at our discretion.

Please complete the following application form and email to bursary@cct.org.uk or post to:
