

CCT BURSARY FUND APPLICATION FORM

The bursary fund exists to assist delegates who otherwise could not afford to attend a conference at one of our Centres. Any Christian group can apply, as long as the application is made at least three months prior to the conference. Before you make an application, you will need to have a confirmed booking at one of our centres, with the signed contract and deposit having been received and processed by our bookings team. We will confirm if your application has been successful, with the amount awarded being at our discretion.

The bursary is granted on the condition that you are also using your own bursary fund or other means to subsidise your event, payments to CCT are received in full by the invoice due date, and that you bring at least the minimum delegate numbers as shown on the contract. Should any of these conditions not be met CCT reserves the right to withdraw this grant in part or in full.

Please complete the following application form and email to bursary@cct.org.uk or post to:
